Form 990. Part III. Line 1 - Organization Mission

Human Rights First is an independent advocacy and action organization that challenges America to live up to its ideals. We believe American leadership is essential in the global struggle for human rights, so we press the U.S. government and private companies to respect human rights and the rule of law. When they fail, we step in to demand reform, accountability and justice. Around the world, we work where we can best harness American influence to secure core freedoms. We know it's not enough to expose and protest injustice, so we create the political environment and policy solutions necessary to ensure consistent respect for human rights. Whether we are protecting refugees, combating torture, or defending persecuted minorities, we focus not on making a point, but on making a difference. For more than 40 years, we've built bipartisan coalitions and teamed up with front line activists and lawyers to tackle global challenges that demand American leadership.

PROTECTING REFUGEES

Human Rights First's Refugee Representation team promotes human rights by assisting refugees who are fleeing persecution. We provide legal representation, frequently with pro bono lawyers, to help our clients access legal protections in the United States consistent with U.S. and international law. We also assist our clients in accessing other critical services. We use this experience to advocate for laws and policies that protect refugees.

In 2020, volunteer lawyers in the New York, Washington, D.C., Houston, and Los Angeles metropolitan areas provided more than 74,000 hours of in-kind legal services. During that period, we represented more than 1,448 people from 86 countries and won

attorney trainings, equipping over 450 attorneys to represent asylum clients.

Among the key 2020 policy achievements resulting from our advocacy to protect refugees were the following:

--Secured a federal court order vacating the asylum transit ban nationwide. This victory helped protect many refugees from being deported in violation of U.S. law to their countries of persecution.

--Won federal court orders requiring 8 of our medically vulnerable clients to be released from Immigration and Customs Enforcement detention amid the COVID-19 pandemic.

NATIONAL SECURITY ADVOCACY

We have worked for more than two decades to challenge U.S. national security policies that violate human rights and undermine U.S. global leadership.

In 2020, our objectives included:

- Strengthening the domestic and international law restrictions on the use of counterterrorism war powers that enable extrajudicial killings, indefinite detention, and military tribunals.

- Securing additional transparency, accountability, oversight, and rule of law protections for the U.S. targeted killing program.

- Closing the detention facilities at Guantanamo and ensuring that the U.S. policies of indefinite detention and trial by military commission are limited and ultimately ended.

- Solidifying a durable, bipartisan consensus against torture and cruel, inhuman, or degrading treatment by closing loopholes that could allow detainee abuse.

- Imposing more robust protections against racism, antisemitism, and xenophobia for servicemembers of color and other minority groups in the military.

Form 990, Part III, Line 4c - Program Service Accomplishments

- Curbing the militarization of police by reining in their ability to acquire military-grade equipment through a series of federal programs.

Among the key 2020 achievements resulting from our advocacy to bring U.S. national security policy into compliance with human rights norms were the following:

--Prevented the transfer of new detainees to the detention facilities at Guantanamo Bay, Cuba.

--Secured legislation providing transparency regarding the legal and policy frameworks for U.S. counterterrorism operations.

--The FY2021 NDAA included provisions requiring the renaming of Confederate-named Army bases and restricting the types of military-grade equipment provided to state and local law enforcement via the "1033" program.
